Dear Mr. Caswell:

PROPOSED "SOUTHERLY ANNEXATION
DISTRICT NO. 46" TO THE CITY
OF AZUSA

At the meeting held December 19, 1962, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of November 29, 1962, of the proposed annexation of territory to the City of Azusa.

The boundaries submitted do not create islands of unincorporated territory and conform with record lines, lines of ownership and proposed city boundaries. Unless the proposed "Southerly Annexation District No. 41 (Revised)" to the City of Azusa, as approved by the Commission on November 14, 1962, is completed prior to this proposed annexation, a corridor of unincorporated territory will be created. Such corridors are prohibited under the provisions of Section 35002.3 of the Government Code.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the Boundary Commission approved the boundaries of this proposed annexation. A copy of the approved revised description and a list of special districts involved are enclosed for your use.

Very truly yours,
